What is a Texas Scramble (or Shamble)?

We figured that by September, everyone would all scrambled out so we wanted to mix it up a bit. We decided on a Texas Scramble format. The Texas Scramble still includes teams of four golfers, with each golfer hitting a drive, and the best one selected for the second shot. But, everyone plays their own ball to the hole, each turning in a score for the team. The lowest score is then selected for the team. This format allows for both teamwork and allows everyone to play a bit more of the course.
